01. Solid wood texture
02. High strength
 - Can bear ≥ 500 lbs
 - 10 years frame warranty
03. Cost effective, 70-80% cheaper
04. Can stack 5-10 pcs high, save 50-70% transfer and storage cost
05. 50% lightweight
06. Zero maintenance cost

The background of the slide features a dark, charcoal-colored surface with several circular cross-sections of wood grain. The wood grain patterns are detailed, showing concentric growth rings and radial lines. One large section is in the upper right, another smaller one is in the lower right, and a third is in the lower left. The text is overlaid on the left side of the image.
